(Last) (First) (Middle)

The following behavior expectations will be observed while in Philadelphia as members of the Eastern Division Women's Honor Choir.

1. Singers must be present and on time for every rehearsal and scheduled activity.
2. Singers are expected to have the music memorized before arriving in Philadelphia and will be prepared for all rehearsals with music, pencil, and other rehearsal supplies and materials.
3. Singers will refrain from the use of profanity and/or derogatory/hurtful remarks toward other students, directors, or other personnel.
4. Singers will respect the authority of all directors, chaperones, and other individuals helping to make the event run smoothly.
5. The use of tobacco, drugs, and/or alcohol is strictly prohibited.
6. Singers **will not** leave their rooms after curfew unless accompanied by an adult. Singers are not allowed outside the hotel unless accompanied by an adult.
7. Singers are **NEVER** to be in the hotel room of a member of the opposite sex unless a chaperone is present.
8. Use of hotel room phone by singers is not permitted. Singers should make arrangements with their chaperones to call home. Cell phones will be permitted OUTSIDE the rehearsal space before or after a rehearsal. Cell phones must be out of sight during a rehearsal (turned off—not just on silent mode.). This will be strictly enforced; phones will be confiscated.
9. Singers will be expected to take responsibility for your own actions. Do what is right as a member of a prestigious ensemble. You are representing your family, your school, and your community.
10. All rules and regulations from individual schools apply. If in doubt, your chaperone and/or choir director will be the ULTIMATE authority.

Failure to meet these expectations may result in removal from the choir. Transportation home will be at the singer's expense.

**I have read, understand and accept the expectations for the Women's Honor Choir.**
